According to Article 14-4 of the Securities and Exchange Act and Article 219 of the Company Law, we hereby submit this report.

Parade Technologies, Limited.

Chairman of the Audit Committee: Norman Shen

April 29, 2020

REPORT OF INDEPENDENT ACCOUNTANTS TRANSLATED FROM CHINESE

To the Board of Directors and Shareholders of Parade Technologies, Ltd.

Opinion

We have audited the accompanying consolidated balance sheets of Parade Technologies, Ltd. and subsidiaries (the "Group") as at December 31, 2019 and 2018, and the related consolidated statements of comprehensive income, of changes in equity and of cash flows for the years then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at December 31, 2019 and 2018, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the "Regulations Governing the Preparation of Financial Reports by Securities Issuers" and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations as endorsed by the Financial Supervisory Commission.

Basis for opinion

We conducted our audits in accordance with the "Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants" and generally accepted auditing standards in the Republic of China (ROC GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Professional Ethics for Certified Public Accountants in the Republic of China (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole and, in forming our opinion thereon, we do not provide a separate opinion on these matters.

Key audit matters for the Group's consolidated financial statements of the current period are stated as follows:

Goodwill impairment

Description

Refer to Note 4(13) (Non-financial asset impairment), Note 5(2) (Critical accounting estimates and assumptions) and Note 6(6) (Goodwill) to the consolidated financial statements where the impairment of non-financial assets and goodwill has been discussed.

To achieve the Group's roadmap for display and touch integration solutions and to improve the operational efficiency of the industry supply chain, the Group acquired Cypress Semiconductor Corp.'s TrueTouch[®] Mobile touchscreen business in 2015. The balance of goodwill arising from acquisitions as at December 31, 2019 was NT\$1,470,575 thousand.

The Group uses 5-year cash flow forecasts to determine the recovery amount of goodwill; however, the measurement results in a large extent depend on management's assumptions, including the discount rate and the estimated growth rate used, which are subject to management's judgements with considerable uncertainty. Therefore, the goodwill impairment assessment is a key audit matter this year.

How our audit addressed the matter

Our procedures in relation to the key audit matter included:

- 1. Evaluated the rationality of the evaluation model using the nature of the Group.
- We confirmed that the future cash flow used in the evaluation model is consistent with the next 5-year budget provided by the Group.
- 3. We assessed the appropriateness of key assumptions used, such as growth rate and discount rate.

Inventory impairment losses

Description

Refer to Note 4(10) (Inventories), Note 5(2) (Critical accounting estimates and assumptions) and Note 6(3) (Inventories) to the consolidated financial statements where the accounting policy, accounting estimates and assumptions of inventories and allowance for reduction of inventories to market values have been discussed.

Losses on inventories and allowances as at December 31, 2019 was NT\$1,184,957 thousand and NT\$241,173 thousand, respectively.

The rapid changes in the technology of the industries in which the Group is involved and the net realizable value used in the evaluation of obsolete inventories often involve subjective judgements and therefore highly uncertain estimates. Inventories are measured at the lower of cost and net realizable value. The impact of inventories and its allowance for diminution in value has a significant impact on the financial statements. Therefore, the loss on inventories and allowances assessment is a key audit matter this year.

How our audit addressed the matter

Our procedures in relation to the key audit matter included:

- 1. The valuation of inventory impairment losses adopted the understanding of the nature of the industry, and it is confirmed that the accounting policy is consistent with the previous period.
- 2. Verified the appropriateness of the system logic for evaluating the inventory aging report to confirm that the report information is consistent with the Company's policies.
- 3. Reviewed the historical information of inventories, supplemented by inspecting the amount of provision after the reference period, and then assessed the reasonableness of the loss provision.

Responsibilities of management and those charged with governance for the consolidated financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the "Regulations Governing the Preparation of Financial Reports by Securities Issuers" and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations as endorsed by the Financial Supervisory Commission, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Group's financial reporting process.

Auditor's responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ROC GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements. As part of an audit in accordance with ROC GAAS, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Parade Technologies, Ltd. 2020 Employee Restricted Stock Awards Plan (English Version is for reference only)

I. Purpose

To attract and retain professional personnel needed by the Company, to motivate employees and enhance their centripetal force so as to jointly create the Company's and shareholders' interests, the Company hereby establishes this Employee Restricted Stock Awards Plan (this "**Plan**").

II. Issuance Period

Within one year from the date of the shareholders resolution, the Company may, depending on its actual need, register with the competent authority single tranche or multiple tranche of the restricted shares for the employees. For the number of shares effectively registered, within one year starting from the date when the effective notice issued by the competent authority is received, the Company may issue the shares all at once or by tranches. The chairman is authorized to determine the actual issuance date.

- III. The eligibility of employees
 - 1. The eligible employees are limited to the employees of the Company or of the subsidiary wholly owned by the Company who serve as the full-time employees before the restricted stocks awards for the employee (the "**RSA**") are granted. For the purpose of this plan, grant means granting without consideration.
 - 2. The chairman shall propose and submit the list of grantee employees and the number of RSAs to be granted to the board of directors of the Company for the approval, in the case of granting the RSA to an employee who serves as directors and/or officers, to the compensation committee of the Company for review and recommendation and then to the board of directors of the Company for final approval. The actual employees and the number of RSA to be granted will be decided according to relevant laws and regulations and within the limitation of amount thereof, considering seniority, job level, work performance, overall contribution, special achievement, and other factors necessary for management, etc., and considering the Company' s operational needs and development strategy.
 - 3. When the Company issues employee stock options under Article 56-1, paragraph 1 of "Regulations Governing the Offering and Issuance Securities by Securities Issuers" (the "Regulations"), which applies

mutatis mutandis to the Company in accordance with Article 60 of Regulations Governing the Offering and Issuance of Securities by Foreign Issuers, the cumulative number of shares subscribable by a single employee of the employee stock option, in combination with the cumulative number of RSAs obtained by such employee, may not exceed 0.3 percent of the Company' s total issued shares. And the above in combination with the cumulative number of shares subscribable by such employee of employee stock options issued by the Company under Article 56, paragraph 1 of the Regulations, may not exceed 1 percent of the Company' s total issued shares.

IV. Total number of RSAs

The total number of restricted shares to be issued under this Plan is 800,000 ordinary shares, at the par value of NT\$10.

- V. Terms and conditions of the issuance
 - 1. Issue price

Each RSA will be issued without consideration.

2. Vesting conditions

The RAs granted hereunder will be vested at the equal rate of 25% per year over four (4) years from the RSA vesting commencement date. Each 25% will be vested on the anniversary of the RSA vesting commencement date provided that such grantee employee continuously serves the Company or the subsidiary wholly owned by the Company to each corresponding anniversary.

The chairman shall propose and submit the respective RSA vesting commencement date to the board of directors of the Company for the approval. The RSA vesting commencement date is not required to be the date when the RSA is granted, the date when the board of directors approves such grant, or the date when the grantee employee was on board.

3. The class of shares to be issued:

The Company's ordinary share. Except for restrictions provided under Section 4 hereof, other rights and obligations of the RSAs shall be the same as the issued and outstanding ordinary shares of the Company.

- 4. Restrictions before the vesting conditions are fully satisfied
 - (1) The grantee employee shall not sell, transfer, make gift of, create other rights or encumbrances on the RSAs, or otherwise dispose of the RSAs in any other manner.
 - (2) All the proposal rights, motion rights, speech rights, voting rights and any other shareholder rights shall be exercised by the trustee or the custodian (as applicable).
 - (3) The restrictions (including but not limited to transfer restrictions and vesting conditions) applicable to any and all unvested RSAs (and any share derived from such RSAs for whatever reason, including share dividend, retained earning capitalization, recapitalization, reserve capitalization and any cash distributed based on such RSAs for whatever reason, including cash dividend and distribution of capital reserve in the form of cash) shall equally apply to any share derived, directly or indirectly, from and cash distributed based on such unvested RSAs for whatever reason, share dividend, retained including earning capitalization, recapitalization, reserve capitalization, cash dividend and distribution of capital reserve in the form of cash, and any interests (collectively, the "Restricted Share and Cash Distribution"). For the avoidance of doubt, for the purpose of this Plan, the unvested RSAs shall include all the corresponding Restricted Share and Cash Distribution, which are subject to the same restrictions and thus unvested.
 - (4) The other rights and obligations of the RSAs shall be the same as the issued and outstanding ordinary shares of the Company.
- 5. Effect in the event of any non-satisfication of vesting conditions, early termination of the employment, or inheritance, etc.
 - (1) Unless otherwise provided under clause (2) hereunder, if the vesting conditions are not fully satisfied, as to the RSAs that would have been vested were the conditions fully satisfied, the Company may redeem such RSAs at no consideration, and then shall cancel such RSAs.
 - (2) In the event the employee's employment is terminated or inheritance occurs, etc., all the rights attached to the unvested RSAs will be forfeited on the date when the termination of employment or inheritance takes effect, and the Company may redeem such unvested RSAs at no consideration, and then shall cancel such RSAs.

(a) Retirement or job-leaving (including voluntary resignation, lay off or fire for any reason)

All the rights attached to the unvested RSAs will be forfeited on the date when the retirement or termination of employment (including voluntary resignation, laid off or fire for any reason) takes effect, and the Company may redeem all such RSAs at no consideration, and then shall cancel such RSAs.

(b) Death

All the rights attached to the unvested RSAs will be forfeited upon the date when the employee deceases, and the Company may redeem all such RSAs at no consideration, and then shall cancel such RSAs.

- (c) Occupational accidents
- (i) If the grantee employee cannot continue his/her employment with the Company as a result of occupational accidents, all the RSAs that have been granted will be vested on the date when the termination of employment takes effect, unless otherwise provided by laws or regulations.
- (ii) If the grantee employee passes away as a result of occupational accidents, all the RSAs that have been granted will be vested to his/her inheritor(s), unless otherwise provided by laws or regulations.
- (d) Job transfer

If any grantee employee applies for transfer to the Company's affiliated enterprises or other companies, clause (a) hereunder will apply to the unvested RSAs. However, if any grantee employee is transferred to the Company's affiliated enterprises or other companies due to the Company's operational needs, the RSAs that have been granted to him/her will not be affected by the job transfer.

(e) Leave of absence without pay

If any grantee employee takes leave of absence without pay under the approval of the Company, the rights attached to the unvested RSAs will resume on the date of his/her reinstatement. However, the time period set forth in the vesting conditions of paragraph 2 shall defer for a period corresponding to the time period of the leave of absence. (f) Termination of employment due to other causes

In the event of termination or adjustment of employment not set forth above, the chairman or the board of directors may, to the extend permitted by applicable laws and regulation, determine to change or revoke the granted rights.

VI. Procedure of Granting

The chairman is authorized to determine the record date for granting and the record date for share issue for each tranche of issuance.

VII. Acceleration of vesting

If the shareholders' meeting of the Company resolves to have the Company dissolved, merged into other company or become one hundred percent subsidiary of other company by means of share exchange (or other merger and acquisition methods), whether the vesting conditions are fully satisfied or not, one hundred percent of the RSAs granted to the employee shall become vested from the date when the resolution has been made by the shareholders' meeting.

- VIII. Confidentiality and effect of breaching
 - 1. After the employee has been granted the restricted shares, the employee shall comply with the confidentiality clause and shall not inquire about or disclose the relevant information to other people (including but not limited to the number of the RSAs granted to such employees and the relevant rights); in the event of any breach thereof, and the Company may redeem all or portion such RSAs at no consideration, and then shall cancel such RSAs.
 - 2. After the RSAs are granted to the employee, if the employee materially breaches the labor contract, employment agreement, work rules or employee handbook, or other the Company's or the subsidiary's rules announced after this Plan has been effective, etc., and the Company may redeem all or portion such RSAs at no consideration and then shall cancel such RSAs.
- IX. Miscellaneous
 - 1. In the case that the grantee employee is an ROC citizen, such employee shall, immediately after the Company issues the RSAs to such employee, trust such RSAs to the trustee designated by the Company in accordance with the Company's instruction and, unless otherwise provided hereunder, shall be continuously trusted till the full satisfaction of the vesting conditions. Any and all the Restricted

Share and Cash Distribution derived from the unvested RSAs shall also be put in the trust. In the case that the grantee employee is non-ROC citizen, such employee shall put the RSA with a custodian bank for custody.

- 2. This plan shall be approved by the board of directors and then submitted to the shareholders' meeting for approval and shall become effective after registration with the competent authority. If any amendment is necessary due to any change of laws or regulations, any demand by the competent authority or any requirement of the circumstance, the chairman is authorized to make necessary amendment and submit to the board of directors for approval by a majority of the Directors at a meeting attended by two-thirds or more of the total number of the Directors before the issuance of RSA hereunder; provided, however, that any amendment to the total number of the issuance, such amendment shall be submitted to the shareholders' meeting.
- 3. Any other matters not set forth in this Plan shall be dealt with in accordance with the applicable laws and regulations.
